This installation record is associated with the VBECS 1.6.0 Patch Installation Guide. Complete each section of this installation record as you complete the corresponding installation steps:

1) Replace the <Cluster_name> and <mmddyy> in the header with the corresponding cluster name and current date (e.g., VBECS Patch Installation Record VHAXXXCLUZ1 1.6.0 Production 070809 or VBECS Patch Installation Record R01YYYCLUXXX01 1.6.0 Production 070809)
   - Insert screen shots, as indicated.
   - Replace the text in angle brackets and delete the brackets.
   - To select a check box, double-click it, and then click the **Checked** radio button under the Default value.
2) Delete Page 1 after completing the steps on Page 2.
3) Print, sign and date the completed form.
4) Printed documents are for the Validation Records.

VBECS Patch Installation Record <Cluster_name> 1.6.0 Production <mmddyy>
